Dear Friends,

Welcome to the Second Annual Davis Chinese Film Festival!

The Confucius Institute at UC Davis and the Davis Chinese Film Festival are wonderful resources for students and community members who are looking to learn about and celebrate Chinese culture. The film festival, in particular, is an excellent way to explore Chinese art.

This year's festival theme, which commemorates the 70th anniversary of the end of World War II in Asia, is especially important. People throughout the world are taking this time to reflect on the tragedies of the war and on the way that the world has changed since. I know that the Film Festival will provide an opportunity for that reflection, and for the celebration of peace.

Thank you to the many sponsors and participants of the festival, and to the Davis Chinese Film Festival for their continued work and growth. I wish you a great festival.

Be Well,
